‘The Two Wolves’

One evening an old Cherokee told his grandson about a battle of choice that goes on inside all people. He said, “My son, there is a constant battle between the two 'wolves' inside us all.

One wolf is Evil: *It is anger, envy, jealousy, sorrow, regret, greed, arrogance, self-pity, guilt, resentment, inferiority, lies, false pride, superiority, and ego.*

The other wolf is Good: *It is joy, peace, love, hope, serenity, humility, kindness, benevolence, empathy, generosity, truth, compassion and faith.”*

The grandson thought about it for a minute and then asked his grandfather, “Which wolf wins?” The old Cherokee simply replied:

The one you feed!
